

7.1.4 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic diversity and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens

JB Institute of Technology offers a diverse atmosphere because it welcomes students, faculty, and staff from almost every state and abroad. The College is adamant about fostering inclusivity and emphasizes tolerance and peace towards communal, racial, ethnic, linguistic, religious, socio-economic and other differences. According to Government regulations, the admissions process is carried out to fill the seats of designated categories.

By scheduling expert lectures on various themes, the students are taught to be tolerant of and live in peace with linguistic, cultural, regional, communal, socio-economic, and other diversity. The Institute has taken initiatives to promote the best quality education and socio-economical Upliftment of all the admitted students. It organizes various cultural programs based upon cultural diversity to set communal harmony among Students from various regional and cultural backgrounds whose participation in such programs and presentation of their regional folk songs and dances develop a friendly environment among all. These cultural programs are organized at the departmental and hostel levels on different occasions like cultural fest, farewell party, fresher's day, etc. Through cultural committee, the students also conduct numerous other diversified cultural activities on different occasions to cater to linguistic diversities.

Students from different regions also participate in cultural & technical fest competitions organized in the Institute, like essay writing, debates, declamation contests, poster making, wall painting, rangoli, etc., to sensitize Indian Diversity.

Through NSSvolunteers, the organization tries to promote socially conscious initiatives. It hosts camps with topics like health, environment, rural & skill development, and value education. To promote harmony on various significant days, such as International Women's Day, National Integration Day, and International Yoga Day, by organizing events and fostering an environment accepting linguistic, cultural, regional, communal, socio-economic etc.

Mass recitation of the National Anthem is exercised and performed not only on the occasion of flag hosting/unfurling ceremony on Independence Day and Republic Day respectively but also at the beginning of all significant events/functions like seminars, conferences, workshops, guest/expert lectures, and induction program, etc. to be held in the Institute.

Regarding the Nationwide campaign of "AzadikaAmritMahotsava," the TriangaYatra was organised, covering the entire catchment area of the Institute and nearby villages with an absolute gathering of staff and students of the Institute. Blood donation camp is organized as an annual feature in the Institute where students, staff and people from nearby villages contribute voluntarily by donating blood for the noble cause of serving society and proudly adorning the badge of a blood donor.

On November 26, every year, the Institute celebrates Constitutional Day and voters' Day on 25th January witnessed by a massive gathering of students and staff.

The JB Institute of Technology regularly organizes talks and seminars on national identities, constitutional obligations, rights, values, and responsibilities of citizens. Eminent personalities and experts deliver lectures on these issues. JB Institute of Technology Students are sensitized on their duties towards the nation, and practical engagement is demonstrated by the extension activities, including the adoption of the villages and the activities conducted.
