- **Hostel Facility**

We understand that most of our students are moving out from home for the first time, so we strive to make the transition as smooth as possible by offering modern, comfortable and safe hostels within a serene and pollution free environment. Adorned with thoughtfully built indoor & outdoor spaces, the campus has been designed by seasoned architects specialized in educational architecture.

The hostel blocks for boys, in total, have a capacity of 350 students and the hostel block for girls has a capacity of 300 students.

Catering to the dietary requirements is a state-of-the art and well-maintained kitchen and a spacious, well-ventilated and clean mess, serving a wide variety of delicacies, to a diverse set of students, from all parts of the country and even across the border.

### ▪ Teaching learning process

Student centric method deals with all the requirements of a better teaching- learning process. The institute has an explicitly laid out academic calendar that includes working days, details of major events, CIEs and semester end exams. Problem-solving techniques and interactive learning are both a feature of student-centered learning.

Add-on/Certificate courses, Guest lectures, Group discussions, design projects, workshops, conferences, seminars, industrial visits, major projects, and other activities are well planned in accordance with the Academic Calendar.

### **Experimental/ Practical Learning:**

#### • Project based Learning

Our faculty inspires Students to take up projects related to societal interests bringing technical solutions to fair practices of the Modern World. Students are motivated to participate in Dehradun International Science and Technology Festival (DISTF), University level project contests and Smart India Hackathon (SIH).

#### • Internships / In-plant Training

Our Students are motivated to undergo Internship during Summer/Winter Vacation to have clear insight about the practical applications of technology and obtain fair knowledge with the real-world problems.

#### • Practical Sessions

Our full-fledged laboratories are utilized for exhaustive learning of curriculum based practical sessions engaging the students to practice Experiential Learning. Many laboratory courses have been conducted during the academic year 2022 - 2023.

#### • Field Works

Our Students are exposed to ideological ethical learning process wherein they get to know about the impact of the environmental behaviour and sustainability practices. Students are required to visit industries regularly at least once in a semester.

### **Problem solving Methodologies:**

As a Mentor, faculty members support students in a variety of unique activities and guide them to achieve better achievements.

- Faculty supports students in the appropriate way to overcome academic and personal concerns, and every effort is made to ensure academic mentoring of students and offer

them with a better teaching learning environment.

- Quizzes, project work, and questions framed in the question paper help students improve their analysis and reasoning skills.

### **Participative Learning:**

- Internships, Projects, Industrial Visits- Enhancing the managing skills, communication skills through practical exposure of the industry
- Group discussions and various competition- Enhance the communications and discussion skills
- PDP Classes- Enhance the personality, aptitude and reasoning skills
- Extension Activities help students to increase their ethics values

### **ICT-Enabled Tools and Online Resources:**

- Learning Management Systems (LMS): Platforms like ERP, MS Team, and Zoom use by the faculties to facilitate course management, content delivery, and interaction between teachers and students.
- Online Courses and MOOCs: Our faculties motivate students to do MOOCs (Massive Open Online Courses) via access to platforms like NPTEL, Coursera for certification courses.
- Virtual Labs and Simulations: Students use Virtual labs and simulations to offer practical and hands-on learning experiences, even when physical labs may not be accessible
- Academic Time table with the name of the faculty members handling the courses
